

# **The Acting Studio**

To whom it may concern:

I would like to invite Sophia de Souza and Marcus de Souza to participate in my International Acting workshop on August 26<sup>th</sup> till August 31<sup>st</sup>, 2006 in Los Angeles, California. I have worked with both of them before and look forward to coaching these incredible performers. Their talents and skills as actor will make them an invaluable asset to my training. We will have actors coming in from all over the world for this historic event. Marcus and Sophia will learn the latest film acting techniques. They will also meet some of the most important Directors, Producers and Casting directors in Hollywood.
